NVF- Family News

NOVEMBER 2026

Operation Christmas Child is a wonderful ministry that shares God's love with children around the world through simple gift-filled shoeboxes. Each box is packed with toys, school supplies, hygiene items, and personal notes that can bring joy and encouragement to a child in need. More importantly, these gifts remind children that they are valued, loved, and not forgotten. Packing a shoebox is a meaningful way for individuals, families, churches, and community groups to make a difference in someone's life. The excitement of choosing items and praying for the child who will receive them makes the experience especially rewarding. Every shoebox has the potential to create lasting memories and open doors for hope and kindness. By participating in Operation Christmas Child, you can be part of a global effort to bless children and share compassion in a tangible way. Consider packing a box this year and experience the joy of giving to others.
